

In a brilliant ceremony, on December 14, Naftemporiki awarded the Diamonds of the Greek Economy Business Excellence awards to 37 Greek companies that demonstrated the highest performance in 2023, both in terms of Development and Investments.

Among them, EODH a Company which is focusing to its principles and goals, and continuing its twenty-year upward trajectory in the important field of Defense and Security in which it enjoys international recognition, remaining an Exclusive Export Company. It has achieved this thanks to its high quality Innovative Products and Technologies, Competitive Prices and Short Delivery Times. Despite the continuous successes, the Company does not rest on its laurels and constantly sets new high goals that aspire to change the so far arid landscape in the Greek Defense Industry and in particular in the Land Systems Sector. New Production Unit 5.000m<sup>2</sup>, Technological and Production integration of Artificial Intelligence in its products, New Generation of Personnel with Multi -level expertise, Green Development with Social Responsibility and continuation with New Partnerships at European Level with University Institutions and Specialized Agencies, Suppliers and Manufacturers, orbit the transition of EODH in the (AI) Era .

The event took place at the "Great Britain" Hotel, in the presence of the Minister of Infrastructure and Transport, Mr. Staikouras, Presidents, Institutional Bodies, and a multitude of Businessmen and Senior Executives of the Greek Market.

The award was received by the President of EODH, Mr. Andreas Mitsis , who thanked the Organizers for the honor and dedicated the distinction to the EODH Team, The Partners and the Leading Factors of the European Defense Industry who have trusted EODH for more than 20 years. In his brief greeting, he also referred to how difficult it is for a Greek Defense Sector Company to establish itself in the field and achieve international recognition, aptly using the saying attributed to Gandhi: "First they will ignore you, then they will laugh at you, then they will fight you, and then you won"...
